GRAND

Gas Balloon Ascension!

BY PROF. VAN TASSELL.

THURSDAY.

SEPT. 21.

ON THE FAIR GROUNDS.

NO EXTRA PRICE OF ADMISSION

To witness this

Thrilling Sensation.

PROF. VAN TASSELL.

Will make

Captive Ascensions

In the forenoon, and in the afternoon the

Ropes Will Be Cut!

And the Balloon will rise and float away to-

ward the clouds.
By all means witness the thrilling and excit-
ing sensation as the person takes his place in
the frail basket; the person starts and the
noble and sublime scene of the great ascent
begins. A balloon ascension invariably
leaves a strong, lasting and vivid impres-
sion on the mind and memory. It attracts all
classes, old and young, all tastes and interests,
for a balloon ascension is at all times a novel
and sublime sight, exhibiting, as it does, man's
dominion over the very air he breathes. As a
spectacle, it fixes the attention of every be-
holder. As an achievement of science, it is one
of the greatest and grandest ever witnessed.

To the Public.

Having purchased the Journal Hotel, to-
gether with the Bar, Restaurant and Lodging

any other company in the
world.

company of America and the
largest in the world.

Liverpool, London and Globe

1836 This standard company's poli-
cies does not contain any sixty
day clause, but pays in full with-
out deduction of interest. Its
record at the great Chicago fire
of 1871, paying over three and
a quarter million dollars in cash,
drawing the funds entirely from
England, gives this company a
premiere in fire insurance
not equaled by any company
in the world.

Insurance Co. of North
America, Phila.

1874 The surplus of this com-
pany, as to policy holders, is
\$8,750,000, a sum larger than the
"gross assets" of any other
American fire insurance com-
pany, "except two." In eighty-
eight years of continuous busi-
ness she has paid out over fifty
million dollars for losses, and
still has cash assets. No Ameri-
can company can show any
better record.

Scottish Union and National,
Great Britain.

1824 This is one of the oldest of
foreign companies. This com-
pany has had recently (1880) en-
tered the United States for
business. Its security for policy
holders' aggregates \$23,041,015.

Commercial Union Insurance
Co., London.

1861 Conservative as an under-
writer. Such is the value plac-
ed on her policies by leading
merchants and others that there
are but two foreign companies
whose premiums received in the
United States exceed those of
this prudent company. Assets
in the United States nearly
\$2,000,000, securely invested.

German American Insurance
Co., New York.

1872 Over two million dollars of the
assets of this company is in
"United States bonds" and in
case of any large conflagration
can be turned into cash at once.
Surplus as to policy holders, is
over \$3,000,000.

Pennsylvania Fire Insurance
Co., Philadelphia.

1825 Fifty-seven years continuous
business has placed this com-
pany among those most relied
upon for hundreds of cents on
the dollar for honest losses.

Home Insurance Co. of New
York.

1863 Twenty-five years successful
business places this company at
the head and front of New
York city companies.

American Central, St. Louis.

1833 This is one of the most pru-
dently managed and conserva-
tive companies in the country,
and is second to none of com-
panies in the west.

Springfield Fire and Marine
Insurance Co., Springfield,
Mass.

1840 It is an old company—thirty-
three years. It is a strong com-
pany with a cash capital of
one million dollars. It is not
exposed to large loss by a
sweeping fire, its head office
being in a small city. It is lim-
ited to a point of perfect safety in
all other cities.

Standard Fire Office, Lon-
don.

1860 This is one of the new foreign
companies to come to this coun-
try, and is entitled to the con-
fidence of the insuring public.

Phoenix Assurance Co., Lon-
don.

1782 This old company (100 years)
has paid over \$5,000,000 to policy
holders; is the largest exclusive
fire company in Great Britain.

OUR PROSPECTUS

FOR THE

Fall Trade!

Our facilities for handling a large trade were never so good as they are at present.
We have a large store, the largest assortment of goods kept by any wholesale and retail
Grocery and Queensware house in the Rio Grande Valley. Having every advantage in
buying, can, and will, sell goods as

CHEAP AS THE CHEAPEST.

We have bought heavily and are prepared to meet the demands of the fall trade; we offer
the advantage of a complete assortment; we carry everything pertaining to a wholesale and
retail Grocery and Queensware business that can be called for. Our aim is not to sell cus-
tomers once and make a large profit, but to treat them by fair dealing and close prices, so
to make permanent customers of them; we realize that one good, regular customer is worth
a dozen short lived ones, and we will try to treat all who may favor us with their patronage
so they will

"STAY BY US."

Prices cut down below cost and the loss made up by sharp practices and short weight
will bring trade for a while, but will not make customers that will stick. It is such that we seek
and to gain them and hold them is our ambition. To this end we faithfully endeavor
to consult our customer's interests as well as our own in selling them goods.

We Guarantee Both Quality and Price

Of every article we put up for you. If you have not dealt with us give us a trial; if you
have, keep on with your orders and we will do our best to please you; we are not greedy, but
we do like to do well, and we rejoice in the prosperity of all Albuquerque merchants and
we are certainly striving to extend not only our own business but the influence and trade of
Albuquerque, and flatter ourselves that our efforts redound not only to our profit but to the
prosperity of the Central City and its merchants.

Respectfully,

J. E. SAINT & CO.

J. E. Saint & Co.'s Specialties.

ple, because it is easily prepared, no waste, requires no particular skill to make it into a first
class meal, is always ready and comes cheaper in the end. To meet the demand for this
class of goods, we have made contracts at the factories, both in the East and in California,
and our first car will arrive this week and will be followed by more as rapidly as can be
shipped until we will have our house full from floor to ceiling.

Our Tobacco stock comprises all the well known standard brands, both chewing and
smoking; we can give you a bargain here.
